VERONICA MINI-BAG

\$490

## DESCRIPTION

Classic yet modern, this exquisite mini-bag is a testament to expert craftsmanship and whimsical aesthetic. Inspired by Veronica Franco, a Venetian poet and courtesan from the 16th century, this mini-bag is distinguished for its skillful combination of texture and color: the sinuous scroll motifs in blue "Lepanto" velvet elegantly dance on the beige velvet background while the striking, gold tuck lock clasp completes the piece. Gifted to a loved one for a special occasion or included in a personal collection, this spacious bag will elevate any outfit with its classical allure.
