Ilaria Ferraro Toueg

VERONICA SCONCE

\$1,320

DESCRIPTION

The linear design of this elegant sconce is inspired by the nostalgic and romance-filled Los Angeles of the '30s, with its Cafe Society atmosphere. The sophisticated silhouette of the piece is made of a brass structure covered with shantung silk and will add a touch of minimalist luxury to any home, either a classic environment or a more modern setting. Any room in the house will glow with timeless allure thanks to this piece. Designed for Ted Design Collection.
