VERSI CLEAR PENDANT LAMP

\$1,600

DESCRIPTION

The pureness of Carrara marble and crystal Murano glass merge in this stunning pendant lamp whose shade celebrates the fluidity of convex and concave lines. The glass diffuser's design is embellished with the "balloton" texture, a unique diamond pattern that is a leitmotiv in Murano glassmaking tradition. Complemented by a Carrara marble cylinder, the lamp requires a Gx53 LED bulb (not included with purchase).
