VERTIGO BLACK AND WHITE VASE

\$220

DESCRIPTION

This exquisite vase pushes the limits of new technologies, creating a piece that is timeless and unique. It was crafted using a 3D printer of marble powder and a plant-based plastic called PLA. Its striking surface was then finished and painted by hand with a timeless black and white color combination. It is available also in a larger size with a diameter of 38 cm and a height of 27 cm. Other sizes are available upon request - please ask the Concierge for details and pricing.
