## VERTIGO WHITE AND RED MARBLE BOWL

\$2,640

### DESCRIPTION

A striking combination of white Carrara marble and red Sicilia marble, this superb bowl will be an eye-catching addition to an entryway as vide poche, a dining room as centerpiece, or a living room - either alone or combined with other items in the same Vertigo collection. It was finished by hand and crafted using Computer Numerical Control. The combination of traditional craftsmanship and new technologies makes this piece unique and timeless.
