VESTALIA GREEN CANDELABRUM

\$2,800

DESCRIPTION

This eye-catching candelabrum will be a captivating addition to a contemporary living room, entryway, or dining room, elevating a modern decor with a sophisticated sense of movement and superb color combination. The vivid shade of green of the Verde Imperiale marble pairs effortlessly with the brass details, shaped in a dynamic yet rigorous structure. The striking combination of opposites, in particular between the traditional sumptuousness of the noble stone and the industrial silhouette, will infuse refined energy and dynamism into any decor.
