## VESTALIA WHITE CANDELABRUM

\$2,500

### DESCRIPTION

The unique design, exquisite craftsmanship, and high-quality materials of this elegant candelabrum are the distinctive elements of this sumptuous sculptural piece. The rigorous silhouette comprises differently sized elements in a staggered arrangement to create a refined sense of movement. Made entirely of luxurious Carrara marble cut using a waterjet technique and enriched with brass elements for a sophisticated effect, this piece will be an eye-catching addition to an entryway, living room, or dining room.
