SET OF 2 VESUVIO S BLACK VASE

\$145

DESCRIPTION

Vesuvio is an abstraction of the volcano Vesuvio, its twisted and radical nature. Realized with PLA, an ecologic and biodegradable material that is 3d printed. Every object is slightly different, unique, even if reflects what you see in the pictures. For dried flowers only. Vesuvio is part of a collection, that by abstraction is inspired by Napoli, and its myths, places, and lifestyle.
