Paolo Staccioli

VIAGGIATORE SCULPTURE

\$4,500

DESCRIPTION

Part of a series that honors traveling and travelers, this sculpture designed by Paolo Staccioli, is exquisitely executed in ceramic with vivid colors and a glossy finish. The man depicted in this piece holds a small piece of luggage and his eyes are fixed upon the horizon, as ready for a new adventure. A poetic interpretation of the act of exploring the world, this piece of decorative art will enhance a modern decor.
