VICKY GRAY DINING CHAIR

\$2,160

DESCRIPTION

Part of the Vicky Collection, this elegant dining chair is one of the first creations by Domenico Mula for DOM Edizioni. Distinctive for its minimalist and sober design, this is a timeless and refined accent to add in a modern study or a classic dining room. Equally suitable for commercial interiors and homes, this chair boasts a wooden silhouette lacquered in black with saber back legs and an enveloping padded backrest that creates a comfortable and eye-catching curve with the padded seat.
