VIKING THRONE CHAIR

\$3,760

DESCRIPTION

This stunning chair is part of the Throne collection, featuring twenty different designs, all inspired by the tall backrests of thrones. Crafted using reclaimed fir, Swiss pine, pine, and larch coming from the floors of 16th century houses, this chair is a unique piece of functional decor that will be an eye-catching accent piece in a rustic or modern home. Either alone in an entryway or study, or combined with others around a minimalist dining table, this chair will make a statement, thanks to its masterful craftsmanship and unique design inspired by the Viking tradition.
