VIRGO EARRINGS

\$240

DESCRIPTION

The second of the earth signs, Virgo, has Mercury as a governing planet and dark green is the color that represents the stable, detail-oriented, and constant attitude of the people born under these stars. Symbolizing the figurative and chromatic qualities of Virgo, this pair of earrings is made of ruthenium-plated 925 silver with a stardust-finished hexagonal post adorned with an emerald. A pendant with three smaller hexagons connected with a single chain complete this superb piece that will make a splendid gift for a loved one.
