VIRTUOSA LAMP

\$5,710

DESCRIPTION

A celebration of contrasts, the Virtuosa lamp elegantly expresses the antithesis between the Carrara marble base, which gives a sense of stability, and the slim mobile upper structure in mirror gold-finished metal, that creates a dynamic movement. Boasting a chic contemporary style, the long arm shade is equipped with a directional system that allows for changing the height and inclination to illuminate the surrounding space while remaining suspended in a rarefied balance. This superb piece of functional decor is produced in a signed and numbered series.
