VISCONTI FLOOR LAMP BY MASSIMILIANO RAGGI

\$14,350

DESCRIPTION

Designed by Massimiliano Raggi, this elegant floor lamp is part of the Visconti Collection that combines sculptural elements with charming curved silhouettes and one-of-a-kind finishes. This exquisite piece features four panels illuminated in the back by four LED strips max 50 W 3000K color temperature and 5500 lumens. The brass structure has an antique bronzed finish with three panels covered in antiqued silver and one enriched with a splendid, hand-applied mosaic. The 220V can be substituted with other voltage on request, please consult the Concierge for details. This lamp is CE certified.
