VITTORIO VASE

\$900

DESCRIPTION

Inspired by the distinctive heritage of Italian architecture, this elegant vase boasts a unique design that is both functional and evocative. Entirely crafted by hand of white ceramic, the four arches create an elegant portico whose pure shade is enriched with precious details in 24k gold. The top is marked by five rectangular openings that allow for endless floral arrangements that evoke the elegance of magic gardens. This stunning work of art will be a stunning addition to both modern and traditional interiors, displayed as vase or sculptural decorative element.
