Marino Secco

VIVO CHAIR WITH ORANGE CUSHION

\$2,195

DESCRIPTION

Sardinia is a constant source of inspiration for designer Marino Secco who merges the ancient traditional and splendid colors of the natural landscape in the pure lines of the Vivo chair. Striking a perfect balance between proportions and harmony, a softly padded seat covered with orange microfiber is surrounded by an open backrest and enclosed in its slender legs. Perfectly adaptable to formal surroundings as well as informal interiors, this chair shows off great elegance in a simple silhouette.
