Marino Secco

VIVO CHAIR WITH TURQUOISE CUSHION

\$2,195

DESCRIPTION

The fluid and harmonious lines of the Vivo chair are the result of the perfect fusion of craftsmanship and state-of-the-art technology. Enclosing a padded seat upholstered with a vivid turquoise fabric, the slender armrests extend into the front legs with an elegant curve, while the back legs form a continuous line with the open backrest. The solid wood structure is a tribute to the colors and natural outlines of the Sardinian landscape, a constant source of inspiration for designer Marino Secco.
