VOLTERO LARGE FRUIT BOWL

\$1,450

DESCRIPTION

The striking veins of the natural stones play across the smooth surface of this superb bowl highlighting its exclusive design. The bold ring of black Portoro (available also in white Carrara) further accentuates the contrast and highlights the gray, rounded circular base made of travertine. A perfect accent in any living or dining room, either as a pure decorative element or to hold fruit and other objects. Designer Giusti & Di Rosa have created a simple and functional design that will bring the glamour of Art Deco into any decor. Available also in 30x6cm please ask the concierge for pricing in the customizable options.
