VOLTO APPUNTITO POLYCHROME GLASS SCULPTURE

\$3,370

DESCRIPTION

Part of the Omaggio a Modigliani Collection celebrating the eponymous painter, this sculpture in polychrome Murano glass exemplifies the unrivaled artistry of master glassblowers. It depicts a dramatically-elongated and sharp human face sitting on a cylindrical clear base, mouth-blown blending amber and blue glass creating iridescent effects. The artisan's sign and brand's logo attest to the uniqueness of every piece.
