VONNIE DINING TABLE

\$19,790

DESCRIPTION

Inspired by the nostalgia for the romance-filled Los Angeles landscape of the '30s and its sophisticated luxury, this coffee table has an elegant and timeless design that will add charm and luxury to any decor. Its frame is in brass and its simple silhouette supports a marble top whose curved corners are wrapped around the brass. The combination of different delicate colors, shapes, and textures offers a dynamic accent to a living room. Designed for Ted Design Collection.
