Carlo Moretti

VORTEX SCULPTURE

\$520

DESCRIPTION

As the name suggests it, this sculpture features a clear Murano crystal body wrapped around an air bubble embedded in the glass, marked by a striking net of fine lines to create a swirling movement. This sophisticated piece is part of the Minimax Collection of limited edition elegant decorative objects issued in a series of 333 signed and dated objects. This superb piece will make a well-received housewarming gift.
