VORTEX SET OF BLUE/PURPLE STEM GLASS AND RED/PURPLE GLASS

\$410

DESCRIPTION

This colorful and sophisticated set was crafted of mouth-blown Murano glass and is part of the Vortex collection, whose name is inspired by the striking decoration that wraps around the surface of each piece, adding a pop of color and an elegant sense of movement. The stem glass (7.5 cm at the base and 8 cm at the mouth) has blue and purple colors, while the conical glass (6 cm base and 8 cm mouth) boasts red and purple hues. They can be combined with other sets for a stunning effect. Small variations from piece to piece are characteristic of their handcrafted nature.
