VORTEX SET OF STEM GLASS AND GLASS IN BLUE/PURPLE

\$410

DESCRIPTION

Part of the Vortex collection, distinctive for a swirling decoration in different colors, this set comprises a glass and a stem glass. They were crafted of mouth-blown Murano glass, whose transparent surface is enlivened by a ribbon in blue with purple edges that curls around the edges for a dynamic look. The cup of the stem glass has a base of 7.5 cm and a mouth of 8 cm, while the glass has a base of 6 cm and a mouth of 8 cm. Small imperfections and variations are to be considered characteristic of these pieces and marks of true craftsmanship.
