VULCANO TRAY

\$880

DESCRIPTION

Classic meets contemporary in this stunning round tray handcrafted of walnut and decorated by hand with an eye-catching motif using water-based, non-toxic colors. This one-of-a-kind piece is part of a limited edition of 20 trays and features a taupe background with a distinctive design of a large sand-colored circle with a rough texture surrounded by other brushstrokes that evoke the image of the shining sun. An exquisite addition to a modern table or console in an entryway or bedroom dresser, this tray is sure to perk up the elegance of any home décor.
