WALL N. 3 CHARGER

\$105

DESCRIPTION

This elegant charger is a timeless and sophisticated addition to any table and can be used as a decorative piece to add to a living room or study. It is crafted of brushed steel with a screen-printed decoration that depicts the sinuous floral motifs of a brocade-inspired wall covering. Part of the aptly named Wall Collection, this piece can be combined with the others in the same series to adorn with neutral colors and striking textures a modern or traditional table.
