WALL N. 4 CHARGER

\$105

DESCRIPTION

Lending a sophisticated allure and old-fashioned charm to any interior, this charger is an exquisite choice for both a classic and a contemporary interior. It is part of the aptly named Wall Collection of pieces crafted in steel with a brushed finish, decorated using the screen printing technique. On the surface of the plate, a neutral background is adorned with a juxtaposition of brocade motifs, reminiscent of traditional wallpapers. It is possible to combine this design with the others in the same series for a dynamic effect.
