WARTHOG TUSK BOTTLE OPENER

\$385

DESCRIPTION

This refined bottle opener is characterized by a stunning handle crafted from an authentic tusk of a warthog with a nickel-plated metal element defined by a simple oval form. This stylish and on-trend essential bar tool has a contemporary yet vintage appeal, which makes it a splendid accessory to complement any bar cabinet. A great housewarming gift or a self indulgent purchase, this bottle opener will be a superb decorative accent even when not in use.
