WATERLILES BRACELET

\$440

DESCRIPTION

Evoking Monet's waterlilies, this distinctive cuff bracelet is a striking balance of art and nature in a feminine design with a modern twist. A shimmering and high polished waterlily pad stands out at the center of an open cuff composed of two rings that delicately wrap the wrist. Crafted by hand of 24K gold plated silver, this bracelet is the ideal accessory to enliven an everyday look, or add a glamorous touch to an evening outfit.
