## WAVE ORANGE 3-PIECE SECTIONAL SOFA #3

\$12,480

### DESCRIPTION

A modern revisitation of a vintage-style home accent, this luxury sectional sofa is defined by a dynamic contrast of forms and lines. The modular system comprises a main unit (188 x 115 x 97 H cm) flanked by two small units (53 x 104 x 45 H cm), creating a delicate C-shaped silhouette when combined. The sinuous back boasts convex contours that contrast with the smooth curves of the sofa body and dainty ornamental fringe. The wooden frame has a polyurethane and goose down padding and is upholstered in a warm orange velvet for a lustrous and soft-to-the-touch finish.
