WAVE SQUARE SIDE TABLE WITH WALNUT BY PAOLO SALVADÈ

\$7,190

DESCRIPTION

Designed by Paolo Salvadè as part of the Wave collection, this stunning side table is a unique object of functional decor that will be a useful surface by a sofa or an armchair, while also imbuing a classic or modern space with the elegance of exquisite craftsmanship. This design combines a walnut central leg and Carrara marble base and top, which is enriched by beveled edges boasting delicate folds, like a precious fabric. The base is ~ 36 cm and other types of marble can be chosen, please contact the Concierge.
