## WDROBE BRASS COAT STAND

\$1,390

### DESCRIPTION

This minimalist coat rack is a functional piece of decor that will easily complement any modern interior, from residential to commercial. Showcasing an eye-catching metal structure with a brass finish, this coat rack offers a unique look to keep coats, jackets, and accessories organized and all in one place. The sturdy construction consists of three V-shaped metal poles, inclined to cross at the center, that form six pegs for hanging coats and accessories, while the useful brass tray and hooks add functionality and originality to this unique piece.
