WERNER JR. MARQUINIA MARBLE PENDANT LAMP #1

\$1,660

DESCRIPTION

This stylish lamp is composed of a thin square in marble, a single emission of LED light, and a suspension with steel wires. It is a lamp with an essential geometry that enhances the quality of handcrafted marble and the high technology of the LED lighting system. An object that does not invade the environment but furnishes it with class, thanks also to an enveloping and discreet light that guarantees a high Visual Comfort. The voltage is 110/220v with 5W LED and 2700K light temperature.
