WHITE AND ORANGE FLOWERS NECKLACE

\$240

DESCRIPTION

This striking necklace will be a perfect complement for the White and Orange Flower Ring, but it can also be worn alone to highlight a summer or evening dress. Its structure in 18k gold-plated silver supports a pendant element adorned with freshwater pearls and two baroque pearls that are accompanied by two decorations in the shape of five-petal flowers: one in white enamel, the other in white enamel with pale blue accents on the tips and orange rhinestone at the center.
