**WHITE BIRD ON A STAND BY ALDO LONDI #1**

**\$320**

## DESCRIPTION

This minimalist ceramic sculpture will add character to a console, shelf, or table in any room of a modern home. Created by Aldo Londi as part of the Arkitektura Collection, the simplified shape and essential white color enhance the artistic quality of this handmade object of decor. Depicting a small bird facing down, the base is composed of a metal rod inserted in a clear square support.
