WHITE BIRD ON A STAND BY ALDO LONDI #2

\$320

DESCRIPTION

Reduced to a simple almost symbolic shape that retains all its naturalistic expression, this exquisite white ceramic bird will add a striking decorative accent in a modern home. This small masterpiece by Aldo Londi can be displayed in a pair with the other featuring a different stance amidst book shelving in a living room or to infuse a romantic accent to a vanity table in a bedroom. The metal base comprises a clear square with a slim metal rod.
