WHITE DIRECTOR ARMCHAIR

\$570

DESCRIPTION

A folding design ensuring practicality while not sacrificing comfort, this director-style armchair will make for a spot-on addition to boats or pool areas thanks to its water-resistant fabric used to craft the seat and open backrest. Its classic shape underlines the exceptional quality of its materials, for a product that is guaranteed to last and satisfy either as a spot to dine or to admire the sunset in good company. The nautical inspiration is stated by the ropes wrapped around the armrest.
