WHITE FLOWER EARRINGS WITH AGATE AND AVENTURINE STONE

\$280

DESCRIPTION

This exquisite pair of earrings is both delicate and bold and will be a statement piece to use both day and evening for a striking effect. The structure is of 18k gold-plated silver. The top is adorned with a five-petal flower in white and orange enamel, from which a cascade of four green agate stones hang, ending in a large aventurine stone. Contrasting colors, elegant design, and the charming addition of flowers create a splendid combination.
