

# ARTEMEST

JEWELRY : NECKLACES

*Maitea*

**WHITE GOLD COLLAR**

**\$3,000**

## DESCRIPTION

This exquisite collar in 18k gold is rigid but features a loosened structure, thanks to small hand-made pivots that secure all the elements together. The central element is an oval-shaped decoration that encloses a green amethyst resting inside its mounting, like a drop of water suspended inside.
