WHITE LEATHER CHESSBOARD

\$2,890

DESCRIPTION

Dynamic and elegant, this chess board set will make a sublime accent in a modern or traditional home. Crafted of walnut, the box is upholstered in white leather and accented with gold board squares for the chessboard surface, while the interior piece storage unit is framed with a supple gray leather band that contrasts the exposed wood tray. This set has black- and brass-finished chess and checkers pieces. This stunning chess set, featuring marble-inspired details, will elevate your home decor in the dining room or parlor.
