Fiammetta V Home Collection

WHITE MARBLE CUTTING BOARD WITH HOLE

\$140

DESCRIPTION

A sophisticated example of the use of a traditional material to create a minimalist design, this cutting board will enliven any elegant setting, being a functional object of decor that can also be used to display food. This piece was entirely crafted of white marble and boasts a simple silhouette with one round side featuring a hole. Weighting 2 kg, this piece can be combined with others by Fiammetta V in a refined home.
