Alessi Ceramiche

WHITE MOOR WOMAN HEAD WITH TURBAN SMALL VASE

\$160

DESCRIPTION

Crafted in the Sicilian tradition by maestro Giacomo Alessi, this ornate vase of a noblewoman is distinguished for its dynamic sculptural character. The elegantly draped turban, expressive eyes, and bold lips are masterfully rendered "en relief", enhanced by the monochromatic off-white ceramic glaze to create visual harmony. Marked by an alluring gaze, this vase is a unique statement piece that will enliven a rustic patio or balcony.
