Barnini Oseo Richmond

WHITE SIDEBOARD

\$7,790

DESCRIPTION

This elegant sideboard flaunts a distinctly modern design enhanced by the choice of an incredibly versatile, neutral color palette. Four slatted feet with metal inserts sustain the structure, which showcases rounded corners and slightly curves sides upholstered with durable fabric in a white-truffle hue. A delicate beige distinguishes the rest of the piece, including the front doors and the central drawers paired with vertical, thin handles.
