WIDE PINK AND OCHRE VASE BY DIMORESTUDIO

\$1,115

## DESCRIPTION

This unique vase has a modern appeal thanks to its contemporary wide rectangular shape. This piece will make a striking visual appearance anywhere it is placed and its long slender rectangular opening at its top makes it perfect for holding many flowers. The inside of this handmade ceramic piece is glazed in a subtle pink while the outside is glazed in ochre. Two elements in an antique gold color hug the sides of the vase.
