## WING BEIGE SQUARED TRAY

\$405

### DESCRIPTION

Part of the Wing collection of trays, this elegant piece has a square structure in wood that was upholstered in leather with a beige color and a non-slip material on its bottom. The metal handles have a chrome finish and are shaped as a pair of wings, contrasting elegantly with the opaque smoothness of the leather. This tray will be a striking addition to any home or party, either alone or paired with others from the same collection.
