WINTER CHARGER

\$320

DESCRIPTION

Part of the Vivaldi Four Seasons Collection, first presented at Milan Design Week 2018, this charger is an ode to winter, with its frost and ice, tremulous lights, and delicate colors. Entirely handcrafted of fine porcelain, this charger will be a superb addition to a modern home, and it can be combined with the others in the same Winter series, with the white background punctuated with emerald and blue dots that fall like snow on pink spirals. Like all other pieces in this collection, this plate is dishwasher safe.
