**RECTANGULAR GRAY TRAY**

**\$175**

## DESCRIPTION

Inspired by marine themes, this tray is a versatile and spacious accent that can be used to serve drinks, hold magazines, or display collectibles. Its wood structure features a rectangular base with tall edges covered along the interior and exterior with gray leather with the external perimeter marked with gray rope. Entirely made using traditional methods, this piece can be combined with the others in the same series for a dynamic look in an elegant and modern home.
