La Casa Grifoni

WOOD DESK

\$3,920

DESCRIPTION

This elegant desk will enrich a rustic or contemporary interior with its open structure and a charming silhouette. Made of plywood with a striking walnut veneer, the piece is equipped with two front drawers and a rectangular top distinctive for the two curved edges on the short edges. This eye-catching addition to a study or living room can be combined with a traditional-inspired seat or a minimalist chair for a striking juxtaposition.
