WOOD OVAL JEWELRY BOX

\$190

DESCRIPTION

Subtle in its sophistication, this small jewelry box adds a rustic-chic touch in a modern-styled interior. Fashioned of solid wood, the oval shape is decorated with beige leather and natural rope. The hinged lid features a small rectangular mirror and the inside is lined with velvety material to protect jewels from damage. The light finish of the wood, the bold texture of the rope, and the smoothness of the leather combine in this small object that will be treasured for many years to come.
