WOOD SKY BLUE TRAY

\$305

DESCRIPTION

Part of the Wood Collection, this elegant tray boasts an eye-catching surface with an organic texture along the interior. Crafted of glass that this piece can be displayed alone or with the others in the same series for a colorful bouquet of fresh colors. Inside, the glass is painted in sky blue and the exterior is coated in 999 silver using the SilvanSputteringAg method, an eco-friendly process developed by Argenesi.
