Ulivi Salotti

WOODY DESK

\$15,410

DESCRIPTION

Bearing the signature Ulivi round corners and mid-century allure, this desk in solid walnut wood features a small chest of drawers supporting the top on one side. The top itself, in multilayered wood with a walnut veneer, elegantly curves to create its support on the opposite side, making this functional piece a sophisticated design object that will complement a classic or vintage-inspired décor both at home or at work.
